COWBOY HELP WANTED »

Outlaws, nefarious criminal types, poachers and general all-around diabolical hombres are lurking at the Corral Crawl. We need a host of great Cowboys and Cowgirls to help deliver these buzzards to the hoosegow! We hear they're in town for a show down at the Corral on **Thursday, November 19, 6:30 p.m.** at the Wes Watkins Center. A chuck wagon meal and the saloon watering hole will fortify you for the stand-off with these wicked offenders. We'll even take your picture to record your feats of heroism for posterity. Veterinarians, Veterinary Technicians and everyone else, you need a ticket to visit the chuck wagon - get one [here!](#)

Register online at the link above for the entire conference November 19-20, all under one roof at Wes Watkins Center. See the schedule of speakers and topics at the website. **Deadline for discounted EARLY BIRD** registration is **Thursday, October 1**. Online registration closes **Sunday, November 8**. Y'all come!

Party at 7:00 a.m. The **Sea of Orange Parade** is **October 24**, where the veterinary center's 1953 Museum on Wheels leads us piloted by Dr. Bill Clay (1970). Following the CVHS entry is the **4th Annual Scottie Brigade**, accompanied by faculty, students, staff and friends with animals or without.

All animals are welcome to participate on a leash or halter and must be current on vaccinations. More details are forthcoming as released but to register your participation please contact me **now** at 405-744-5630 or simply reply to the Friday Bit. Questions? sworrel@okstate.edu

Get into the homecoming spirit by visiting the Student Chapter of American Veterinary Medical Association booth at Walkaround, Friday evening, **October 23**. SAVMA is selling decorated horse shoes. Get a pair of **Bullet's** shoes at the SAVMA booth and support the SAVMA objective of introducing veterinary students to the concept of organized veterinary medicine. SAVMA supports professionalism in veterinary medical education and encourages development of students as leaders in the veterinary medical profession. Proceeds of this event will send students to represent CVHS at the annual SAVMA symposium.

A 25 GALLON HAT »

This could get real handsome. Join the Class of 1989 in their rodeo to reach \$25k in endowed scholarship funds. They've jumped the \$10k claim so let's keep the momentum, shall we? Not an 1989-er? All cowpokes are welcome to participate. Pondering a class gift of your own? We have opportunities in all hat sizes. View what other CVHS classes have accomplished with a visit to <http://cvhs.okstate.edu/alumni/class-projects-gifts> Questions? You know where to find me.

SADDLE UP FOR FORT WORTH »
