TENURE-TRACK/CLINICAL ASSISTANT PROFESSOR
CARDIOLOGY

The Department of Veterinary Clinical Sciences, Oklahoma State University Center for Veterinary Health Sciences invites applications for a tenure-track or clinical track faculty position in veterinary cardiology. Responsibilities include clinical and classroom instruction for veterinary students, clinical service in the Boren Veterinary Medical Teaching Hospital, support of house officer training programs and development of a research program in veterinary cardiology. Responsibilities will be shared with our current cardiologist. Qualifications include a DVM or comparable veterinary degree, residency training in cardiology and certification by the American College of Veterinary Internal Medicine, Specialty of Cardiology. Candidates qualified to take the cardiology certification examination are encouraged to apply. Eligibility for faculty licensure in Oklahoma is required. Facilities include designated examination and procedure rooms, GE Cardiovascular Ultrasound System (with transesophageal echo and work station), Zoll Medical M Series CCT, Forest Holter monitors and software for in house analysis, and DRE 8 patient Telemetry Monitoring System with remote access. There is a GE OEC 9900 C-arm dedicated to cardiac and interventional radiology procedures.

Stillwater is a great place to live and was named one of the best small towns in America. It has a population of 50,000, located in central Oklahoma, approximately 60 miles from Tulsa and Oklahoma City. Numerous activities are available including camping, hiking, six golf courses within 10 miles, state parks, lakes for boating and fishing, theatre productions, rodeos, the excitement of Big XII sporting events and more. For more information on Stillwater you can visit www.stillwaterchamber.org. Review of applicants will begin upon receipt of applications and will continue until the position is filled. Applications including letter of intent with statement of professional goals, curriculum vitae, and three names of references and contact information should be submitted at jobs.okstate.edu. For inquiries please contact: Dr. Daniel J Burba, interim Department Head, Veterinary Clinical Sciences at (405) 744-8469 or dburba@okstate.edu.

Interested parties may also contact Ryan Baumwart DVM, DACVIM (Cardiology) with any questions about the position at 405-744-7000 or ryan.baumwart@okstate.edu.

“Oklahoma State University is an Affirmative Action/Equal Opportunity/E-verify employer committed to diversity and all qualified applicants will receive consideration for employment and will not be discriminated against based on age, race, color, religion, sex, sexual orientation, genetic information, gender identity, national origin, disability or protected veteran status. OSU is a VEVRAA Federal Contractor and desires priority referrals of protected veterans for its openings.” “OSU will not discharge or in any other manner discriminate against employees or applicants because they have inquired about, discussed, or disclosed their own pay or the pay of another employee or applicant. However, employees who have access to the compensation information of other employees or applicants as a part of their essential job functions cannot disclose the pay of other employees or applicants to individuals who do not otherwise have access to compensation information, unless the disclosure is (a) in response to a formal complaint...
or charge, (b) in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or (c) consistent with the contractor’s legal duty to furnish information.”
