

CENTER FOR VETERINARY HEALTH SCIENCES **Friday Bit for Alumni and Friends**

THE SECRET TO LOOKING GOOD ALL THE TIME? »

Oh, please. Join me in wearing some orange at 7:00 a.m. October 24, for the **Sea of Orange Parade** where the veterinary center's 1953 Museum on Wheels leads the CVHS community piloted by our very own Bill Clay, Class of 1970. Following the CVHS entry is the **4th Annual Scottie Brigade**, accompanied by faculty, students, staff and friends with animals or without.

All animals are welcome to participate on a leash or halter and must be current on vaccinations. More details are forthcoming as released but to register your participation please contact me **now** at 405-744-5630 or simply reply to the Friday Bit. Questions? sworrel@okstate.edu

Get into the homecoming spirit by visiting the Student Chapter of American Veterinary Medical Association booth at **Walkaround**, Friday evening, **October 23**. SAVMA is selling a famous shoe brand. Get a pair of **Bullet's** shoes at the SAVMA booth and support the SAVMA objective of introducing veterinary students to the concept of organized veterinary medicine. SAVMA supports professionalism in veterinary medical education and encourages development of students as leaders in the veterinary medical profession. Proceeds of this event will send students to represent CVHS at the annual SAVMA symposium
