Fun. We Need Some

The Production Animal Medicine Society is selling belt buckles as a fundraiser. Buckles are available now for order on the SAVMA website. Deadline to order is Sunday, March 17 at midnight. Please allow 4 weeks for shipping after the ordering deadline.

The mission of SAVMA is to enhance the veterinary profession, educate the public and promote contact and exchange of ideas between veterinary students, veterinarians and the parent organization, the American Veterinary Medical Association.

You may donate to SAVMA in support of CVHS at the website. Donations provide students funding to attend professional development programs, host wellness events and sponsor monthly meetings to further educate our students. Proceeds also support an annual winter formal for veterinary students. Super fun!
Woodstock. Space Cowboys. Class of 1969 50th Reunion!

All that plus 50 years!
The class of '69 celebrates with the Class of 2019 on May 10. Begin your weekend at Residence Inn, 800 S. Murphy, Stillwater. Arrive Thursday for a minimum three-night stay. Deadline for reservations is March 15! Ask for the VET block (405) 707-0588.

Friday we'll enjoy breakfast at the Student Union Council Room #412, later joining the Class of 2019 for the Hooding Ceremony at Gallagher-Iba arena. Classmates of 1969 are recognized during the Hooding Ceremony.

Greg Campbell, DVM, PhD ('85) lends his long-time talents as piper, leading the commencement procession to launch 84 new DVM's. If you've not yet done so please send Sharon your biography for a commemorative booklet.

For assistance with 50th reunion plans contact Sharon at 405-744-5630 or your Class Representative, Michael Lorenz.

April. Ease Up!

In April, along with an aggressive academic calendar, Mother Earth celebrates renewal and sustainability. As educators, CVHS is about to launch 84 qualified professionals. Nature and people are woven into our Mission and Vision statements.

Vision: Innovative world leaders in healthcare, research and professional education.

Class of 2019, here are some sustainability tips to assist you in packing these values as you depart the halls of the veterinary campus.

- **Don't discard your professors.** They are accessible to consult on grey matters.
- **Make sure you're using all of your resources.** Alumni are willing to dissect even the most intricate of bugs and VetMed Resource is a complete online veterinary information service - the perfect support tool for research and continuing education.
- **Use more glassware.** Take ten now-and-then.
- **Cut down on waste. Reduce, reuse, recycle.** Stay with the brand you love and when you're ready, hire another CVHS grad.

As you prepare yourselves for the changing climate and the massive professional prospect pool, remember, we stand behind you as mentors, a text away. Now that's sustainable.
F R I D A Y! I think we're finally alone. Could I be more charmed?
