

## CENTER FOR VETERINARY HEALTH SCIENCES Net Vet Weekly

### Thank you to the Carters!

Thank you to **Dr. Kim Carter** and her husband **Mark** for donating this OSU picnic table for the Academic Center courtyard.

Pictured left to right are **Dr. Dan Burba**, **Dr. Kim Carter** and **Mark Carter**.

Mark fabricated the Aesculapian and table. He also did the ironwork on the south wall of the courtyard..

### Vet Med Hospital Receives New Unit

The Veterinary Medical Hospital is now home to a Materials Testing System (MTS) unit. It is located in Lab 161, the Small Animal Laser and Biomechanical Test Lab.

### Fall Convocation News

Congratulations to all the members of the CVHS team who were recently recognized at the University's Awards Convocation! Your contributions are many and very much appreciated.

Pictured above left to right are: **Drs. Andrew Hanzlicek**, interim dean **Chris Ross** and **Anthony Confer**, and **Michelle Kuehn**.

Hanzlicek received the Kirkpatrick Chair in Small Animal Medicine. Confer received the Leave the Ladder Down Award for his mentorship of others. Kuehn received the Graduate College Outstanding Graduate Support Staff Award. Also receiving recognition but not pictured were **Dr. Richard Eberle**, Regents Distinguished Research Award; **Dr. Robert Fulton**, Oklahoma Higher Education Heritage Society's Hall of Fame; and **Jim Hargrave**, University Service Award.

### AAEP Reception Tonight

Alumni, faculty, staff and students attending the AAEP Conference in Orlando, Fla., are invited to a reception tonight, Dec. 5. Join interim dean **Dr. Chris Ross** and alumni affairs specialist **Sharon Worrell** for complimentary food and drinks from 6 p.m. to 9:30 p.m. in Suite # 2056 at the Rosen Centre Hotel, 9840 International Drive, Orlando, FL 32819.

Special thanks to reception sponsors for making this event possible: **Drs. Rocky Bigbie**, **Reynolds Cowles**, **Elisabeth Giedt**, **Dee Gragg**, **James**

Pictured left to right are **Drs. Dan Burba, Danielle Dugat and Jerry Malayer.**

The MTS unit will enable faculty and staff to conduct biomechanical and biomaterials testing research. Testing of orthopedic and other types of medical implants and constructs will now be possible with this unit.

**Hayes, John Johnson, Thomas Loafmann, David Mitchell, Richard Mitchell, and Zoetis.**

## Bloodborne Pathogens Training

**Hannah Oswald**, occupational safety specialist, will hold a bloodborne pathogens training session on Wednesday, Dec. 7, from 2:30 p.m. to 3:30 p.m. in the McElroy Hall Auditorium.

All who are due for annual re-training (required under BBP program) or need the training for the first time, are welcome to attend.

Training will cover OSHA 1910.1030, HBV, HCV, HIV, modes of transmission, symptoms, labeling, signs, emergency procedures, personal protective equipment, hepatitis B vaccination, sharps containers and more.

For additional information, please contact Hannah Oswald at 405-744-3767.

## House Officer Seminar

**Julia Baldrighi, DVM, MS, PhD**, will present "Abortion in Cattle" on Thursday, Dec. 8, at 8 a.m. in Room 104 at the Veterinary Medical Hospital. Baldrighi is a theriogenology resident mentored by **Dr. Reed Holyoak**.
