Student Activities

AAEP will meet today, Feb. 8. Nominations for 2016-2017 officers will be accepted.

ZEW will meet on Tuesday, Feb. 9. **Justin Ford** with the Belize Wildlife and Referral Clinic will talk about externship opportunities.

Purina will host a Lunch and Learn on Wednesday, Feb. 10, featuring Purina representative **Dr. Elaina Goldsmith** ('98).

AAVP will host movie night on Thursday, Feb. 11, in Room 263. Come watch the horror movie, "TICKS!"

ASV is seeking volunteers for Operation Catnip on Sunday, Feb. 14.

House Officer Seminar

Darla Moser, DVM, will present "Dorsal Displacement of the Soft Palate" on Thursday, Feb. 11, at 8 a.m. in Room 104 at the Veterinary Medical Hospital. Moser is an equine surgery resident mentored by **Dr. Mike Schoonover**.

Veterinary Biomedical Sciences Seminar

The 3 Minute Thesis competition will be on Thursday, Feb. 11, at 6 p.m. in McElroy Hall Auditorium. Please plan to attend and support our graduate students as they compete for cash prizes and the honor of representing the CVHS in the university-wide competition.

Call for Proposals

The Oklahoma Center for Respiratory and Infectious Diseases invites applications for FY 2017 Pilot Project Grants through the NIH CoBRE. The purpose of the pilot project grant program is to provide seed funding to generate preliminary data for an extramural research grant application and to nurture

Christopher Goodchild, Dr. Ayusman Sen, and Dr. Loren Smith; back row (left to right) **Dr. George Cobb, Dr. Peter Goering, Tim Anderson, Adam Simpson and William Mimbs.**

Publication

CT Whitfield, MJ Schoonover, TC Holbrook, ME Payton, KM Sippel. Quantitative assessment of two methods of tiludronate administration for the treatment of lameness caused by navicular syndrome in horses. American Journal of Veterinary Research 77 (2), 167-173.

Alumnus News

Dr. Roger Panciera ('53), Emeritus Professor, is now at PARCway Post Acute Recovery Center located at 6312 N. Portland Avenue in Oklahoma City, OK 73112, Room 202. PARCway is a 90-day rehab therapy center.

Please call Dr. Panciera at 405-385-2902 to schedule a time to visit. Cards and notes may be sent directly to PARCway. When visiting, please encourage him to escort you to the auxiliary rooms available for visitation.

new CoBRE project leaders. Full-time faculty members at OSU, OU Health Sciences Center, OU Norman or the Oklahoma Medical Research Foundation are eligible to apply.

The application deadline is 5 p.m. on March 7, 2016. For complete details visit [OCRID Pilot Grant Program](#).

Looking for a Few Good Cats

Drs. Shane Lyon and Paige Mackey still need 10 cats for a research study that includes free blood work. Cats must be healthy and between the age of 1 year and 3 years, 0 days. Veterinarians will perform a complete physical examination followed by sampling.

Each cat will receive a free complete blood count (CBC), chemistry and urinalysis. Appointments will be scheduled daily and will take 20 minutes per cat. For additional information and to register, contact Dr. Paige Mackey at paige.mackey@okstate.edu.
