### Graduate Students to Compete

Graduate students have the potential to earn money by participating in the 2016 3MT® (Three Minute Thesis) Competition. Cash prizes include \$300 (1<sup>st</sup> place), \$200 (2<sup>nd</sup> place), \$100 (3<sup>rd</sup> place) and \$300 (People's Choice Award). A student is eligible to win a place award and the People's Choice Award - a maximum of \$600 possible! The People's Choice Award is based on audience vote so participants are encouraged to invite friends, family, lab coworkers, mentors and anyone else they know to attend.

The goal of the 3MT® is to train research-based graduate students how to present what they do and its importance to society in a concise, easy to understand manner. The finalist from the CVHS will have an opportunity to compete on the University level and to earn more money. The CVHS 3MT® Competition is scheduled for Thursday, Feb. 11, at 6 p.m. in the McElroy Hall Auditorium.
