Congratulations, Harshini Ashar!

Congratulations to **Harshini Ashar, MvSc**, on winning a Best Poster Presentation award at the International Conference on Flu held recently in Chicago, Illinois. Ashar is a PhD student in Dr. Teluguakula Narasaraju's lab in the Department of Physiological Sciences.

Her winning presentation was on the role of extracellular histones in influenza virus pneumonia. This is her second Best Poster Presentation award received this year. Congratulations on a job well done!

East Meets West

Drs. Reed Holyoak and Chris Winslow recently spent 10 days in China. Holyoak gave several presentations and Winslow attended a course and assisted Holyoak with wet labs on equine acupuncture. ([read more](#))

4-H Students Visit the Veterinary Center

Thirty-four high school students from across Oklahoma recently visited the veterinary center. Nominated by their county extension educator, these 4-H members have expressed an interest in veterinary medicine. The students were able to tour the veterinary center and spent some time in parasitology and in the equine section of OSU's Veterinary Medical Hospital ([full story](#)).

Great Horned Owl Released

Several weeks ago, a young great horned owl was found on main campus and brought to OSU's Veterinary Medical Hospital. **Dr. Joao Brandão** and his team successfully rehabilitated the owl and recently it was released. Check out the [full story](#) and watch this owl return home.

Grandparent University

Thank you to everyone who helped make the 2015 Grandparent University a huge success! A total of 17 grandchildren and 14 grandparents visited the veterinary center. Helping to make this a memorable experience for all visitors were CVHS student ambassadors, faculty, staff, and senior equine medicine students along with dairy barn staff.

Day one consisted of hands-on activities related to endoscopy in the dog and equine health and a bus trip to the OSU Dairy. Day two involved Teddy Bear Surgery and fun with anatomy and parasitology - especially the tick races, pictured above!
