

## Look Who's Celebrating 50 Years

The CVHS is proud to be a member of the Association of American Veterinary Colleges. The AAVMC is celebrating its 50th anniversary of providing support to academic veterinary medicine, which plays such a critical role in the health of animals, people and the environment in which we live. [Read more here.](#)

## Bourbon Virus

The Bourbon virus is named after Bourbon County Kansas where it was first identified in a human in the U.S. in 2014. A second case was recently confirmed in a person from Payne County in May 2015. Here is some helpful information for people and specifically pet owners [click here.](#)
