

Narasaraju Presents in Singapore

Teluguakula Narasaraju, PhD, was recently invited to present his research, "The Role of Neutrophils in Influenza Virus Pathogenesis," at the Yong Loo Lin School of Medicine at the National University of Singapore in Singapore. Narasaraju is a research assistant professor in the Department of Physiological Sciences.

Pictured above (left to right) are: **Drs. Chris Sham, Vincent Chow**, and **Teluguakula Narasaraju**.

Congratulations, Dr. Helms!

Kay Helms ('72) has been named a Significant Woman in Oklahoma Agriculture. This is a collaborative program between the Oklahoma Department of Agriculture, Food and Forestry and Oklahoma State University to honor the many women across all 77 Oklahoma counties for their tremendous impact on agriculture in their communities. Read more about Dr. Helms' accomplishments at [Dr. Kay Helms](#).

Improving Equine Treatments

Mike Schoonover, DVM, MS, DACVS, DACVSMR, assistant professor of equine surgery, is always looking for ways to improve patient care. He and his team recently conducted some research to that end. Read more at [Less is More](#).

Oklahoma Center for Respiratory and Infectious Diseases Seminar

Mark Peeples, PhD, will present "The Respiratory S. Virus Attachment Protein: Entry, Antibody Response and Vaccines" on Wednesday, Dec. 13, at 12:15 p.m. in Room 259 McElroy Hall.

Peeples is a professor in the Department of Pediatrics at the Ohio State University College of Medicine. He is also a Principal Investigator and member of the Center for Vaccines and Immunity at The Research Institute at Nationwide Children's Hospital.

House Officer Seminar

Jillian Paegelow, DVM, will present "Equine Herpesvirus-5" on Thursday, Dec. 14, at 8 a.m. in Room 104 at the Veterinary Medical Hospital. Paegelow is an equine internal medicine resident mentored by **Dr. Todd Holbrook**.

Looking for a Holiday Gift?

Attention shoppers! If you need that perfect holiday gift for someone special, here is an idea that helps future veterinary students. Purchase a "Rosie the Pig" tee shirt or book, which was written by alumna **Dr. Rebekah Hartfield** ('16), and part of the proceeds will go to a veterinary student scholarship.

You can learn more about the book at [Dr. Hartfield: Veterinarian and Author](#) or visit her website directly to make your purchase at <https://www.doctorhartfield.com/>. Books and tee shirts are also available for purchase in small animal reception at the Veterinary Medical Hospital.
