Equine Research Park Expands

Recently, the CVHS broke ground for a new equine exercise physiology lab at the Equine Research Park.

The expansion reinforces the CVHS' long-term commitment to enhancing the quality of life and performance of horses. Read more at [Equine Research Park Expands](#).

Police Training

Drs. Lara Sypniewski, Henthorne Clinical Professor of Small Animal Medicine, and **Rachel Burke** ('18) of Tulsa Animal Emergency Center, recently spent a day training Texas police officers and DEA agents on veterinary techniques to care for their canine partners in the field.
