Bovine Palpation Team Results

Congratulations to the **Bovine Palpation Team** for placing 5th overall out of 13 teams at the national competition held at the SAVMA Symposium! The team made it through the 3-day competition, which consisted of a theory based written test, lab practicum, and palpation. Pictured above (left to right) are class of 2020 members: **Abraham Aviles, Tanner Leon, Suzanna Curts, Brooke Bennett, and Megan Stuart.**

A big thank you to all the OSU-CVHS clinicians, faculty, and alumni who helped prepare the team and donated funds for travel to make this trip possible!

Thank you, Aurora Pharmaceutical!

Aurora Pharmaceutical recently donated \$5,540 to support equine resident research here at the CVHS. House officer residency programs have a required research component and this generous gift will have a very positive impact on the research mission of Oklahoma State University. Find out which alumnus

Interdisciplinary Toxicology Symposium

A reminder that the Interdisciplinary Toxicology Symposium will be held today, March 25, from 10 a.m. to 5:30 p.m. in Wes Watkins Center on the OSU Stillwater campus.

Getting to Know You

Brenda Hoffman is a senior administrative support specialist in the Department of Veterinary Clinical Sciences. Originally from Midland, Texas, she has lived in Stillwater for 40 years.

In her spare time, Brenda enjoys working in the yard, the pecan farm, and spending time with her rabbit, tarantula, and three dogs.

of Physiological Sciences mentored by **Dr. Pam Lovern.**

d'Offay Retirement Seminar

A retirement seminar will be held in honor of **Jean d'Offay, BVSc, PhD, DACVM**, on Monday, April 1, at 3 p.m. in the McElroy Hall Auditorium.

Invited speaker, **Dr. Christopher Chase**, professor in the Department of Veterinary and Biomedical Sciences at South Dakota State University, will present "BHV-1 from understanding little bytes to megabytes and the impact of Jean d'Offay."

We hope you will join us as we recognize Dr. d'Offay's many contributions to the CVHS and veterinary medicine.
