

## Net Vet Weekly - April 8, 2019

### Advocating for Veterinary Medicine

A small CVHS delegation recently traveled to Washington, D.C., to participate in Advocacy Day for the profession of veterinary medicine. Read more about who was there and their activities at [Oklahoma State Advocates for Veterinary Medicine](#).

### Publications

**Shoop S, Maria Z, Campolo A, Rashdan N, Martin D, Lovern P, and Lacombe V.** Glial Growth Factor 2 Regulates Glucose Transport in Healthy Cardiac Myocytes and During Myocardial Infarction via an Akt-Dependent Pathway. *Front. Physiol.*, 27 March 2019. [Full Article](#)

**Cichocki BN, Dugat D, Baumwart RD.** Pulmonary artery banding in a cat with a perimembranous ventricular septal defect and left-sided congestive heart failure. *J Am Vet Med Assoc* 2019; 254:723-727.

### Remembering Dr. Ewing

In memory of **Dr. Sidney Ewing**, 6,000 daffodil bulbs were donated to The Botanic Garden at OSU. The Herbaceous Plants class planted the bulbs and they are in bloom. Visit in person or see pictures at [OSU Botanic Garden](#).

### 3rd Year Vet Students Learn Field Skills

Third year veterinary students had an opportunity this spring to hone their field anesthesia and equine surgery skills. As part of **Dr. Mike Schoonover's** equine surgery and sports medicine elective, 14 students spent two afternoons prepping horses for surgery and then castrating these horses outdoors in the center's paddock. Read more at [Learning Field Skills](#).

### Give Orange

Give Orange is 1,890 minutes of giving and we need your help! The CVHS has a \$5,000 matching gift. Help us raise as much money as possible April 9 and 10 by sharing this with with everyone you know at [Give Orange!](#)

**Plunkett AH, Schoonover MJ, Young JM, Taylor JD, Holbrook TC.** Sub-tourniquet pressures generated by application of wide-rubber tourniquets in standing, sedated horses. *Veterinary Surgery* 2019;48:417-423. [Full Article](#)

**Rudd JM, Pulavendran S, Ashar HK, Ritchey JW, Snider TA, Malayer JR, Montelongo M, Chow VT, Teluguakula N.** Neutrophils induce a novel chemokine receptors repertoire during influenza pneumonia. *Frontiers in Cellular and Infection Microbiology*. [Full Article](#)

## Interdisciplinary Toxicology Symposium Results

Congratulations to the undergraduate and graduate students who participated in the recent Interdisciplinary Toxicology Symposium.

In addition to the 19th Annual Sitlington Lecture in Toxicology presented by **Dr. Jim Klaunig**, attendees heard from two other toxicology experts and eight Interdisciplinary Toxicology Program fellows.

Find out who placed in the poster session and more at [Interdisciplinary Toxicology Symposium](#).

## Join Us for Ultimate Air!

This is a reminder that **SAVMA**, the **CVHS Wellness Committee**, and the **Inclusive Veterinary Community for Empowerment Club** will host an Ultimate Air event on Tuesday, April 9, from 8:30 p.m. to 10:30 p.m. Ultimate Air is a trampoline park located at 1815 N. Country Club Road west of Stillwater.

## House Officer Seminar

**Bryan Weaver, DVM**, will present "Sustainable Parasite Control in Beef Cattle" on Thursday, April 11, at 8 a.m. in Room 104 at the Veterinary Medical Hospital. Dr. Weaver is a food animal medicine and surgery resident mentored by **Dr. Meredyth Jones**.

## Veterinary Biomedical Sciences Seminar

**Girish Patil** will present "TRIM41-Mediated Ubiquitination of Nucleoprotein Limits Vesicular Stomatitis Virus Infection" on Thursday, April 11, at 3 p.m. in Room 259 McElroy Hall. Patil is a PhD student and graduate teaching associate in the Department of Physiological Sciences mentored by **Dr. Shitao Li**.
