### Coping with the Unexpected

We all agree pursuing a DVM degree is challenging. Throw in some unexpected medical issues and things can get complicated fast. Here's the story of one veterinary student from the class of 2017 and how donors and others helped him through some of his darkest days ([Jose Oyola Morales, DVM](#)).

### The DuBois Connection

When the Class of 1967 returned to campus for their 50th reunion, we took a moment to talk with **Dr. Paul DuBois** about the last 50 years ([The DuBois Connection](#)).

### Farewell Dr. Neer

After more than 40 years as a veterinarian, **Dr. Mark Neer** ('76) will soon retire from his position as director of the Veterinary Medical Hospital. Here's a look back on his career ([Farewell Dr. Neer](#)).

### House Officer Seminar

**Johnattan Arango, DVM**, will present "Salivary Gland Diseases" on Thursday, June 8, at 8 a.m. in Room 104 at the Veterinary Medical Hospital. Arango is a small animal surgery resident mentored by **Dr. Danielle Dugat**.

### House Officer Seminar

**Julia Baldrighi, DVM**, will present "Placentation in Mammals" on Thursday, June 15, at 8 a.m. in Room 104 at the Veterinary Medical Hospital. Baldrighi is a theriogenology resident mentored by **Dr. Candace Lyman**.

### Editor's Note

The next issue of *Net Vet Weekly* will be published on Monday, June 19, 2017.
