

Advancing Asian Elephant Healthcare

Drs. Joao Brandao and **Andrew Hanzlicek** are collaborating with the Oklahoma City Zoo and Botanical Garden and the Tulsa Zoo to advance Asian elephant healthcare.

The project focuses on blood coagulation. Read more at [Helping Asian Elephants](#).

Going the Extra Mile

Some owners will do anything for their beloved dog including going an extra mile or two.

Dr. Ryan Baumwart helped Riggs stay healthy enough to make a special journey halfway around the world. Read more at [Going the Extra Mile to Save a Dog](#).

Summer Research Project Focuses on Asian Elephants

This summer, **Michael Wallis** ('20) had the opportunity to assist with the collaborative research project to advance Asian elephant healthcare. Wallis was even able to present preliminary data at a national symposium.
