

CENTER FOR VETERINARY HEALTH SCIENCES Net Vet Weekly

Denney - Oklahoma Vet of the Year

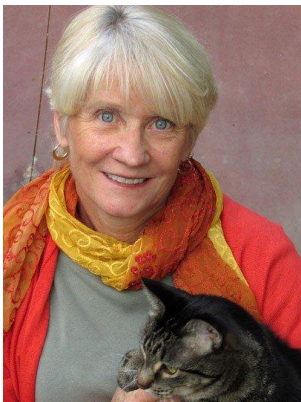

Congratulations to **Dr. Lee Denney** ('78) of Cushing, Okla., who was named the 2017 Oklahoma Veterinarian of the Year earlier this year!

Dr. Denney has impacted the profession through many different avenues. Read more in [Oklahoma Veterinarian of the Year](#).

Guest Seminar

Laurie Fonken, PhD, LPC, will present "Cultivating and Supporting a Culture of Well-Being" on Wednesday, Sept. 6, at 8:15 a.m. in McElroy Hall Auditorium.

Veterinary Biomedical Sciences Seminar

Allison Campolo will present "Glucose Transport in the Lung: Novel Targets" on Thursday, Sept. 14, at 4 p.m. in Room 259 McElroy Hall.

Campolo is a PhD student and graduate teaching associate in the Department of Physiological Sciences mentored by **Dr. Veronique Lacombe**.

Research on Tap

Our own **Dr. Mason Reichard** will kick off the new Research on Tap series on Monday, Sept. 18, at 5:30 p.m. at the Iron Monk Brewery Taproom located at 519 South Husband in Stillwater.

Research on Tap is designed to give the public an opportunity to learn about amazing OSU research projects and interact with the experts leading those studies. Read more at [Research on Tap with Dr. Reichard](#).

Getting to Know You

Fonken is with the DVM Counseling and Wellness Programs at the Colorado State University College of Veterinary Medicine and Biomedical Sciences.

Oklahoma Center for Respiratory and Infectious Diseases Seminar

Allan Zajac, PhD, will present "Function Associated CD8 T Cell Fate Decisions" on Wednesday, Sept. 6, at 12:15 p.m. in Room 259 McElroy Hall. Zajac is an associate professor in the Department of Microbiology at the University of Alabama at Birmingham.

Veterinary Medical Biomedical Sciences Seminar

The OSU Library Graduate Services will present "Copyright Essentials" on Thursday, Sept. 7, at 4 p.m. in Room 259 McElroy Hall.

Operation Catnip

Operation Catnip will hold a spay/neuter clinic at the Veterinary Medical Hospital on Sunday, Sept. 10. Volunteers are always needed to trap feral cats and assist on clinic days. If you are interested, contact Operation Catnip at operationcatnipstillwater@gmail.com.

Amy Lovett, DVM, is an equine internal medicine resident. Originally from Melbourne, Australia, she earned her DVM degree from the University of Melbourne. Her research interests include equine metabolic syndrome.

Amy played violin in the local orchestra while she was in North Carolina working in an equine ambulatory practice. In addition to loving horses and music, Amy enjoys reading (mostly classics and fantasy) and the outdoors hiking and riding horses.

Favorite Quote: "All we have to decide is what to do with the time that is given to us." - JRR Tolkien

Editor's Note

The next issue of *Net Vet Weekly* will be published on Monday, Sept. 18, 2017.
