

Veterans Day Observance

Thank you to everyone who attended the Veterans Day Observance at our Military Veterinarian Honor Court outside McElroy Hall on Wednesday, Nov. 11, in honor of all veterans and especially our OSU military veterinarians. Special thanks to guest speaker **Lieutenant Colonel Troy C. Bucher** for presenting "Service to Our Nation." Bucher is the professor of Military Science for the OSU Army ROTC Program.

Pictured above with **Dr. Jean Sander**, Dean (far left) and **LTC Troy Bucher** (far right) are (left to right) Cadets **Adam Morgan, Amber Norton, Brian Patrick, Justin Duewall** and **Anthony Molinar**.

Military Alumni News

Congratulations to the following OSU Army Reserve veterinarians on their selection for promotion!

- **CPT(P) Ryan McCollum** ('09) selected for promotion to Major
- **1LT(P) Dustan Dinshaw** ('12) selected for promotion to Captain
- **1LT(P) Kathryn Tiernan** ('12) selected for promotion to Captain

Martin Earns Fellowship

Congratulations to **Dominic Martin** on receiving a Niblack Research Fellowship! Martin is an undergraduate student who has been performing research in **Dr. Veronique**

House Officer Seminar

Dr. Amanda Plunkett will present "Management of Compromised Synovial Structures in the Horse" on Tuesday, Nov. 17, at 8 a.m. in Room 104 at the Veterinary Medical Hospital. Plunkett is an equine surgery resident mentored by **Dr. Mike Schoonover**.

OSU Science Cafe

Dr. Jim Lish, associate professor in the Department of Physiological Sciences, will be featured at the on campus Science Cafe on Tuesday, Nov. 17. He will be joined by **Megan Judkins**, a PhD candidate in the Department of Integrative Biology and special guests **Ann** and **RB**. Ann is a red-tailed hawk and RB is a golden eagle both from the Iowa Tribe Grey Snow Eagle House.

The Science Cafe begins at 6:30 p.m. in the Peggy V. Helmerich Browsing Room in the Edmon Low Library. Copies of Lish's book, "Winter's Hawk: Red-tails on the Southern Plains," will be available for purchase and for signing.

Oklahoma Center for Respiratory and Infectious Diseases Seminar

This month's presentation is the 7th Lundberg-Kienlen Lecture featuring **Claire Doerschuk, M.D.** She will present "Leukocyte Recruitment and Function during Bacterial Pneumonia" on Wednesday, Nov. 18, at 12:15 p.m. in the McElroy Hall Auditorium. Doerschuk is a professor in the Department of Medicine at the University of North Carolina at Chapel Hill School of Medicine.

Student News

Remember to come to the **SCAVMA Silent Auction** during the Corral Crawl on

Lacombe's laboratory since last year. His project focuses on the investigation of glucose metabolism in patients affected by a heart attack. Martin is one of 12 students across all disciplines at OSU who received an \$8,000 scholarship. Listen to Martin talk about his research experience on this [short video](#).

Thursday, Nov. 19, in the Wes Watkins Center starting at 6:30 p.m. All proceeds benefit veterinary student scholarships.
