

## CENTER FOR VETERINARY HEALTH SCIENCES Net Vet Weekly

### Pathology Residents Take to the Road

Pictured above (left to right) are pathology residents **Drs. Heather Herd, Maggie McCourt, Jonathan Bagwell** and **Sunao Fujita**. The residents are representing the Department of Veterinary Pathobiology and the CVHS at the American College of Veterinary Pathologists Conference held recently in Minneapolis, Minnesota.

### Publication

**Sunil More, Alastair Watson, Larry Stein**. "Bicarotid trunk in the domestic cat." *Anatomia, Histologia, Embryologia*, published online: 22 Sep. 2015. Doi: 10.1111/ahe.12202. The authors give special thanks the veterinary students in the classes of 2017 and 2018 for sharing their cats during Anatomy Dissection Classes.

### Getting to Know You

### Calling for Equine Dermatology Cases

The CVHS is looking for equine dermatology cases to participate in the Dermatology Wet Lab to be held on Friday, Nov. 20, during Fall Conference. If you have a case that might be suitable for the wet lab, please contact **Dr. Elisabeth Giedt** at (405) 744-8587 or [giedt@okstate.edu](mailto:giedt@okstate.edu).

### Memorial Service

Oklahoma State University and the City of Stillwater will hold a community-wide memorial service Tuesday, Nov. 3, at 6 p.m. in Gallagher-Iba Arena. All are welcome to come to honor the lives lost and celebrate the lives saved, first responders and the strength of the Stillwater and Cowboy communities. The service will be live streamed at <http://www.ostate.tv/>.

### Oklahoma Center for Respiratory and Infectious Diseases Seminar

**Daniel Weiss, MD, PhD**, will present "Regenerative Medicine Approaches for Pulmonary Diseases and Critical Illnesses" on Wednesday, Nov. 4, at 12:15 p.m. in Room 259 McElroy Hall. Weiss is a professor in the Department of Medicine at the University of Vermont College of Medicine. This seminar is co-hosted by the Interdisciplinary Program in Regenerative Medicine at OSU.

### House Officer Seminar

**Rachel Oman, DVM**, will present "Left Displacement of the Abomasum in Beef Calves" on Thursday, Nov. 5, at 8 a.m. in Room 104 at the Veterinary Medical Hospital. Oman is a Food Animal Medicine and Surgery Resident mentored by **Dr. Robert Streeter**.

**Joseph Stalling** is a web application developer in the IT Department. Originally from Jennings, Oklahoma, he graduated from Yale High School and earned a BS degree in Computer Science from OSU. His research interests focus on web, desktop, and mobile software application development.

Joseph was born with bilateral club feet and has had several surgeries performed on his feet. In his spare time, he enjoys coding, fishing, running, and Brazilian Jiu Jitsu.

*Favorite Quote: "Our greatest glory is not in never falling, but in rising every time we fall."*

## Veterinary Biomedical Sciences Seminar

**Kalyani Ektate** will present "Targeting tumor hypoxia with bacteria linked multifunctional imageable nanoparticles and HIFU" on Thursday, Nov. 5, at 4 p.m. in Room 259 McElroy Hall. Ektate is a PhD student and graduate teaching associate in the Department of Physiological Sciences mentored by **Dr. Ashish Ranjan**.

## Last Chance for Online Registration

Online registration for the **2015 CVHS Fall Conference for Veterinarians and Veterinary Technicians** closes on Sunday, Nov. 8. The conference will be held Thursday and Friday, Nov. 19 and 20, at the Wes Watkins Center on the OSU Stillwater campus. [Register now](#) for continuing education, alumni events including the Corral Crawl and the Distinguished Alumni Award Luncheon.

## Veterans Day Observance

Please mark your calendar to attend the CVHS Veterans Day Observance on Wednesday, Nov. 11, at 3:30 p.m. at the Military Veterinarian Honor Court located outside the northeast corner of McElroy Hall. **Lt. Col. Troy Bucher** will be the guest speaker.
