

## Student Activities

**ZEW** will meet on Tuesday, Nov. 10. **Mackenzie Jochim** ('17) will share her experiences at MarVet in the Cayman Islands. **Dr. Micah Kohles** with Oxbow will talk about exotic companion mammal nutrition and GI function.

**Elanco** will host a Lunch and Learn on Wednesday, Nov. 11, from 12 p.m. to 1 p.m. in McElroy Hall Auditorium. **Dr. Kristina Stafford** will discuss Elanco's products and a new otitis externa product.

**AASRP** and **AABP** will host a joint meeting on Wednesday, Nov. 11, at 5 p.m. **Dr. Steve Hull** of Timberlake Alpaca Farms will talk about nutrition.

**VBMA** will meet on Wednesday, Nov. 11. **Dr. John Otto** of University Animal Hospital in Norman will be the guest speaker.

**AAVP** will meet on Thursday, Nov. 12, at 5:30 p.m. **Dr. Chris Adolph** will talk about the importance of parasitology from a private practice perspective.

**IMECCS** will host a CPCR wetlab on Saturday, Nov. 14.

## Veterans Day Observance

In honor of all military personnel past and present, the CVHS will hold a brief Veterans Day Observance on Wednesday, Nov. 11, at 3:30 p.m. All are welcome to attend.

The ceremony will be held on the Military Veterinarian Honor Court located outside the northeast corner of McElroy Hall. **Lieutenant Colonel Troy Bucher**, Professor of Military Science for the OSU Army ROTC Program, will speak briefly followed by a small reception.

## House Officer Seminar

**Dr. Freya Stein** will present "Equine Lymphoma" on Thursday, Nov. 12, at 8 a.m. in Room 104 at the Veterinary Medical Hospital. Stein is an equine internal medicine resident mentored by **Dr. Lyndi Gilliam**.

## Veterinary Biomedical Sciences Seminar

**Courtney Griffin, PhD**, will present "What chromatin remodelers can teach us about vascular development and integrity" on Thursday, Nov. 12, at 4 p.m. in Room 259 McElroy Hall. Griffin is an associate member in the Cardiovascular Biology Research Program at the Oklahoma Medical Research Foundation. Her presentation is hosted by **Dr. Pamela Lloyd**, Department of Physiological Sciences.

## OSU Science Cafe

**Dr. Jim Lish**, associate professor in the Department of Physiological Sciences, will be featured at the Science Cafe Community Program on Thursday, Nov. 12, at 6:30 p.m. in the Stillwater Public Library Auditorium.

*Red-tails on the Southern Plains*

*Jim Lish*

Throughout his 26 year career, LTC Bucher has served in a myriad of assignments and has been heavily involved in officer education and training. His highest awards include the Bronze Star Medal, the Defense Meritorious Service Medal, and the Army Meritorious Service Medal (3 times).

Please plan to attend if you are able. In the event of inclement weather, the ceremony will be held inside the McElroy Hall Auditorium.

## Fall Conference Note

Be sure to purchase your Corral Crawl and Distinguished Alumni Award Luncheon tickets in advance. No last minute sales will be available as food orders have to be placed in advance.

November is Native American Heritage Month and the program will highlight Oklahoma's fantastic red-tail hawks and golden eagles.

Lish will be joined by **Megan Judkins**, a PhD candidate in the Department of Integrative Biology, and special guests **Ann** and **RB**. Ann is a red-tailed hawk and RB is a golden eagle both from the Iowa Tribe Grey Snow Eagle House.

Lish recently published "Winter's Hawk: Red-tails on the Southern Plains." Copies of his book, pictured above, will be available for purchase and for signing.

## Cowboy Fans - Good News!

Because so many of our alumni will be in town for Fall Conference, discount football tickets are available for those attending the OSU vs. Baylor game on Saturday, Nov. 21, game time yet to be determined. Simply go online to <http://www.okstate.com/tickets> and click on the "Redeem Promo Code" on the left side of the page. Enter "OSUVET" into the "Access an Offer" box and click "go." Select the location of your seats and follow the steps to purchase your tickets for \$53 each.
