

Hoopes presents 2nd Kerr Lecture in Biomedical Science

P. Jack Hoopes, DVM, PhD, recently presented "The Future of Radiation Therapy: Altered Fractionation, Nanotechnology, and Immunotherapy" as the second Kerr Lecture in Biomedical Science. Hoopes earned his DVM degree from OSU in 1976. For more than 25 years, his research has focused on radiation biology, radiation oncology and experimental cancer therapeutics.

Pictured above (left to right) are **Drs. Martin Furr, Chris Ross, Jack Hoopes, Jerry Malayer and Ashish Ranjan**. Ranjan, BVSc, PhD, an associate professor in the Department of Physiological Sciences, holds the Kerr Foundation Endowed Chair.

Hoopes is a professor of surgery and radiation oncology and the director of the Center for Comparative Medicine and the Surgery and Radiation Research Laboratories at the Geisel School of Medicine at Dartmouth. He is also the director of the Imaging and Radiation Resource at the Norris Cotton Cancer Center and an adjunct professor of engineering at Dartmouth's Thayer School of Engineering.

Student Activities

SCAVMA Executive Board and **SVSA** will meet on Tuesday, Sept. 27.

AAVP will meet on Thursday, Sept. 29, at 5:30 p.m. in Histology Room 201. **Dr. Chris Adolph** ('96) with Zoetis will talk about his career and interest in parasitology.

AHVMA and **SAGP** will meet on Friday, Sept. 30, at 12 p.m. for a pre-wet lab meeting. The Canine Acupuncture Wet Lab will be held on Saturday, Oct. 1, at 9 a.m.

Vet ReSet

Starting this Tuesday, Sept. 27, and on Tuesdays thereafter, a member of Pete's Pet Posse will be in the library at 12 p.m. Stop by and give the dogs some love!

House Officer Seminar

Brandy Cichocki, DVM, will present "Tracheal Collapse" on Thursday, Sept. 29, at 8 a.m. in Room 104 at the Veterinary Medical Hospital. Cichocki is a small animal surgery resident mentored by **Drs. Danielle Dugat** and **Laura Nafe**.

Veterinary Biomedical Sciences Seminar

Gayan Bamunuarachchi will present "MicroRNAs Targeting Tankyrase Modulate Influenza Virus Replication" on Thursday, Sept. 29, at 3 p.m. in Room 259 McElroy Hall. Bamunuarachchi is a PhD student and graduate research associate mentored by **Dr. Lin Liu**.

Southwest Veterinary Symposium

If you are attending the SWVS in the Fort Worth Convention Center from Sept. 29 - Oct. 2, please visit the veterinary center's Booth #1341 in the Exhibit Hall. Register for door prizes and visit with interim-dean **Dr. Chris Ross** and alumni affairs specialist **Sharon Worrell**. Join us at the Ashton Depot on Friday, Sept. 30, for a complimentary

Congratulations, Dr. Holmes!

Congratulations to **Donald Holmes, DVM, MS, DACLAM** ('54), on being selected as a 2016 Distinguished Alumni Award recipient ([full story](#)). Holmes of Wichita, Kan., is known for establishing lab animal medicine protocols for the organizations in which he worked. His final position before retirement was Chief Veterinary Medical Officer for the Department of Veterans Affairs in Washington, D.C. Holmes will be honored at the Distinguished Alumni Award Luncheon on Oct. 14. Tickets are available at [2016 Fall Conference](#).

Is It Too Hot to Trot?

As the higher temperatures linger in Oklahoma, horse riders may wonder when is it too hot to ride and what are the signs of heat stress? Here are some tips from the veterinary center and Oklahoma Cooperative Extension Service in [Too Hot to Trot](#).

Congratulations, Dr. Folsom!

J.D. Folsom, DVM ('15), recently received a \$5,000 Dr. Bruce Wren Continuing Education Award from AgriLabs. Folsom of Rexburg, Idaho, was one of two recipients honored during the 2016 American Association of Bovine Practitioners Annual Conference ([read more](#)).

reception hosted by Hill's from 7 to 9:30 p.m. Visit the Hill's Booth #608 for a free drink ticket.

Reppert to Speak at Fall Conference

Emily Reppert, DVM, MS, DACVIM, is an assistant professor in the livestock services section at Kansas State University. She will present the following topics:

- Transfusion Medicine in Large Animal Practice: Principles and Practices
- Anaplasmosis and Other Tick Borne Diseases of Cattle I and II: Tips from the Field
- Stocking Your Pharmacy for Camelids

For additional information, read [Reppert bio](#).

Hendrickson to Speak at Fall Conference

Dean Hendrickson, DVM, MS, DACVS, is the Veterinary Teaching Hospital director and the associate dean for the DVM program at Colorado State University College of Veterinary Medicine and Biomedical Sciences. He will present the following topics:

- Advanced Wound Care: It's not just for horses anymore
- Wound Preparation and Debridement
- Primary and Delayed Primary Closure
- Second Intention Healing
- Wound Care Cases
- Minimally Invasive Surgery: What Horses, Camelids, Elephants, Rhinos, and others are teaching us

For additional information, read [Hendrickson bio](#).

Fall Conference

To register for the two-day Annual Fall Conference for Veterinarians and Veterinary Technicians, visit [2016 Fall Conference](#) where you will find information on speakers, topics, alumni activities and more.
