The Three Minute Thesis (3MT®) is a research communication competition that challenges research degree students to present a compelling oration on their thesis/dissertation topic and its significance in just three minutes using just one slide. 3MT® develops academic, presentation, and research communication skills and supports the development of research students' capacity to explain their research effectively in language appropriate to a non-specialist audience.

The 2015 OSU 3MT® promises to be even better than last year’s competition with students competing in the college-level 3MT® competitions in March followed by the Halliburton OSU 3MT® Finals on Thursday April 16th at 3:30PM in the Student Union Little Theater on the Stillwater campus.
