General sessions are also offered. Dr. Theresa Rizzi hosts a cytology wet lab on Saturday, June 13. This session is limited to the first 15 registrants. CHICKEN? OH, AYE

Cleveland County OSU Extension has two upcoming opportunities that may interest poultry enthusiasts. June 6, at Cleveland County Fairgrounds the Extension Service is hosting a Poultry Clinic and Poultry Junior Prospect Show. The clinic portion is open to any youth or adult to participate and learn all aspects of caring for and showing fowl. The Junior Prospect Show encompasses ages 5-19. All activities are without cost - that's free sailing - including lunch for participants. For program entry and agenda information, contact Jessica Tevebaugh Dunlap at 405-321-4774.

GET YOUR SHIPS TOGETHER

Class Reps, this means you, my Captains! Fall Conference is November 19-20 at Wes Watkins Center (WWC). The Corral Crawl (formerly Cowboy Roundup) is Thursday evening featuring an extensive buffet "crawl" and cash bar prepared by the Rancher's Club. Cowboy and Vet Med branded treasures will be offered for bid at the SCAVMA silent auction. Proceeds of this auction benefit SCAVMA scholarships. For 2015, Fall Conference takes place all under one roof at WWC. No need to row off to another mooring thanks to your trusty park pass! The usual photo booth will be on hand for those classes celebrating special reunions, 1955, 1960, 1965, 1970 and all those other 5's & Zeds.... Class Reps, watch for a summer mailing from me with reminders on available accommodations reserved for alumni.

New 4th-years, Friday is having a moment, but that's all.
