

## CENTER FOR VETERINARY HEALTH SCIENCES **Friday Bit for Alumni and Friends**

### **HEAT RAVES**

We're killin' it. That's something I never get to say at CVHS! Though the Oklahoma heat has not left me delirious, I am in a state of wild excitement and expectation for the faculty move into the new CVHS Academic Center. Thanks to our loyal, trusty, true and very orange Physical Plant Team led by Jim Hargrave, the construction community is on target for building occupancy in July. They're killin' it! Save-the-Date for the Grand Opening of the Academic Center and please plan to be part of this exciting day when we open this new state-of-the-art center on Saturday, September 12, 2:30 p.m. (Formal invitations will follow.) OSU will play Arkansas with kickoff at 6:30 p.m. The CVHS family has been a part of planning this facility for many years. Please join Dean Sander and President Burns Hargis for this historical day.

### **JUST BEACHY**

Join Dean Sander and the Advancement e-team at AVMA in Boston. We'll host a reception for CVHS Alumni Monday evening, July 13, 7-9:00 p.m. located in a suite in the conference hotel, Westin Boston Waterfront. Come visit with us and meet your colleagues and classmates for food and beverages. Great CVHS branded door prizes are yours on a whim! For more convention information or to register click <http://www.avmaconvention.org/avma2015/public/enter.aspx> Lost at AVMA? Ring Sharon's mobile 405-612-5359.

### **WHAT'S SO GREAT ABOUT BEING LAND-LOCKED?**

What's the big deal about being a small veterinary college without a shoreline? I dunno, could it be the compassionate, cutting edge veterinary medicine and education that takes root in the shadows of the corrals? You won't find a mega market atmosphere but what you will find are personal connections with alumni, clients and patients where true relationships are forged. Class Reps, I know you're thinking about the crazy thrill of seeing your classmates again at the Corral Crawl during Fall Conference, November 19-20 at Wes Watkins Center on the OSU Stillwater campus. Spread the word among your classmates now to join us for a lovely evening with entertainment, cash bar and full buffet dinner catered by the Rancher's Club. Shop for those CVHS branded apparel items and SCAVMA auction offerings throughout the evening. Proceeds of this auction directly benefit veterinary student scholarships. Classes celebrating reunions are those years ending in 5 and 0. Ring me for specifics or click [sworrel@okstate.edu](mailto:sworrel@okstate.edu) I look forward to your contact and remember, your next opportunity to engage your classmates is now!

### **GOOD THINGS COME WITH THE SUN**

Special thanks to the CVHS alumni who supplied the green to the small animal surgery section. ♥

Fridays, there's one in every week. Spend yours at CVHS/OVMA Summer Seminar.
