

## CENTER FOR VETERINARY HEALTH SCIENCES **Friday Bit for Alumni and Friends**

### **RAREST & BEST OF FRIENDS**

The good men and women who serve as fathers come to mind this month. Lucky for us we have the rarity of other good partnerships at the top of our fan list as well. I'd like to take a moment to showcase the men and women whose support keeps the doors of the veterinary college open and humming. You'll recognize these best-in-show folks as our alumni, grateful clients, and industry partners to name a few. These small-lot friends are like fine beverages, rare and reserved, truly special and exclusive to CVHS. You'll find our alumni in industry partnerships who mix and mingle with CVHS as sponsors of events. Watch for the subtle brands of some sponsor groups at CVHS events, like Zoetis, Merial, Boehringer-Ingelheim and Hill's to name a smattering. Our production couldn't go on without you hugely generous friends. Like a fine vintage, great friends are for appreciating. Aren't they just?

### **OH MY COWBOY DAYS!**

Adventures are worth having -- always! Join Dean Sander and the Advancement e-team at AVMA in Boston. ### **VINTAGES OF EXCELLENCE**

In the 125 years since its founding in Stillwater, OSU's campus has welcomed and educated a barrel full of Cowboys from across the globe. CVHS is proud to celebrate the legacy successes of our most valued assets, our alumni. Join us in promoting and celebrating 125 years of excellence over the coming months.

Friday, we salute you. Sláinte!
