

CENTER FOR VETERINARY HEALTH SCIENCES **Friday Bit for Alumni and Friends**

HELL-O SWEET SUMMERTIME »

While the thermometer is still registering blistering HOT, things are heating up in the alumni office as well. On the bright **orange** horizon, a whopping **106** brand-ready new alumni are incoming. Here's some of the ways we've sweetened the values for classmates of **2021**.

Sweetener #1. Volume discounts.

We continually develop and prepare our students with elements of excellence and professionalism. Because behind every good brand is a sweet incentive (amazing faculty and whoa, new classrooms!).

Sweetener #2. Return on investment.

Training at CVHS brings unique exposure to students for career specialties. Centers of Excellence and areas of service include attractive learning options.

- National Center for Veterinary Parasitology
- Ophthalmology
- Exotic Animal Medicine
- Radiology/Digital Imaging
- Laser Surgery and Research
- Theriogenology
- Equine Sports Medicine
- Gaylord Center for Excellence in Equine Health
- OSU Animal Relief Efforts
- Operation Catnip
- Professionalism

Sweetener #3. Freebies!

A coat and a logo is pretty sweet swag. The **Class of 2021** receives a gray coat, the academic regalia color for the profession of veterinary medicine. The **Induction Ceremony** marks the beginning of the DVM classroom curriculum and culminates at year-four in didactic clinical rotations. At year-three, in recognition of the personal accomplishments and pride associated with reaching this phase of professional education, CVHS confers a white lab coat to each transitioning student. Presentation of the coats symbolizes the college's affirmation of qualifications suitable to begin the professional journey toward earning and maintaining a DVM.

CVHS alumni and friends participate as student mentors and sponsors for the coats. To get in on this sweetness you may purchase a coat for **\$50 payable to OSU Foundation**, delivered to 308 McElroy Hall, Stillwater, OK 74078. Sponsors have the opportunity to present the coat to the student at the **Induction**

Ceremony, August 18, 10:00 a.m. at the Stillwater Community Center. If you wish to participate you must contact us in advance to be included in the program.
