

CENTER FOR VETERINARY HEALTH SCIENCES Friday Bit for Alumni and Friends

SUMMER IS OVER »

But, at CVHS there's still a forecast for 106 degrees. (Think, a [Song of Orange & Fire](#).)

They have arrived.

Not the frozen dead, but hailing from all over the continent, the class of **2021** is comprised of **106** students and they-are-looking-quite-non-zombie with **89 female and 17 male** students. (Fellas, hang in.) The class is comprised of 58 residents and 48 non-residents. We dug deep, wiggled and jiggled and squinted really hard to find and make space.

But still.... we'd have some chill with another classroom building. Make it happen [Dr. Roger Panciera Project](#)

With the unstoppable, pure determination exhibited by the incoming class, it's pretty hard not to be already rooting for their success. But show some restraint, we have '18, '19 and '20 to fuel for the **orange** fire.
