MAKE SOME HISTORY FOR THE ROAD AHEAD

Leave your brand and create a legacy. An orientation opportunity for alumni to meet the Class of 2019 is slated for August 13, 2:15 p.m. in McElroy Hall Old Phys. Retrace your early steps by popping by for a mingle with new students. Alumni have great stories to share with today's students and you are living proof of the diversity of the DVM. Whether your passion has guided you to practice with animals large or small, scientific research, corporate business, public health or serving in the military, I invite you to engage and mentor an incoming veterinary student. Won't you inspire one of our newest alumni as they begin their journey toward an amazing career in veterinary medicine? Look for the orange table (and me) at the Alumni Affairs booth. Connecting is easy, just ask here sworrel@okstate.edu
