

## CENTER FOR VETERINARY HEALTH SCIENCES **Friday Bit for Alumni and Friends**

### **GREAT ORANGE SCOT »**

Join me and the CVHS community in celebrating the greatest veterinary school in the nation at the best homecoming event anywhere. The **Sea of Orange Parade** is **October 24**, where the veterinary center's 1953 Museum on Wheels leads us piloted by Dr. Bill Clay (1970). Following the CVHS entry is the **4th Annual Scottie Brigade**, accompanied by faculty, students, staff and friends with animals or without.

All animals are welcome to participate on a leash or halter and must be current on vaccinations. More details are forthcoming as released but to register your participation please contact me now at 405-744-5630 or simply reply to the Friday Bit. Questions? ### **SHOES ARE ALL YOU NEED »**

Get into the homecoming spirit by visiting the Student Chapter of American Veterinary Medical Association booth at Walkaround, Friday evening, **October 23**. SAVMA is selling decorated horse shoes. These shoes are famous for a reason. Meet the season's stand-out shoes at the SAVMA booth and support the SAVMA objective of introducing veterinary students to the concept of organized veterinary medicine. SAVMA supports professionalism in veterinary medical education and encourages development of students as leaders in the veterinary medical profession. Proceeds of this event will send students to represent CVHS at the annual SAVMA symposium.
