Dancin' on sunshine.

THE DANCING DEAN »

We had one once who Salsa danced. Seriously. I'm not making this up. He brought to mind the Abba song - remember it? "You can dance, you can jive, having the time of your life...." The **orange socks** made a statement.

So, how do we fill our dance card? Visit [Office of the Provost](#) to provide input or take a spin with Thomas G. Coon, Chair of the CVHS Search & Screening Committee and VP & Dean, Agricultural Sciences & Natural Resources. Dean Coon is facilitating the search for dean of CVHS.

NAUGHTY OR NICE? »

Gift giving made you lame? Here's an instant shopping hack. No wrapping. No shipping. **Truly transformational.**

Alumni Affairs has two sources of income annually and there are holes in our soles. Here's all that we have to work with:

- An endowment producing about \$2,900 for spending; that's the whole fiscal year. You can boost this income at the orange "give" button, **click**.
- Alumni Association rebates that accrue quarterly at about \$300. You can increase this income source by [joining](#) the AA today.

Income to **Alumni Affairs** is utilized to host alumni reunions, complimentary receptions, events for veterinary students, and services to CVHS alumni. It is up to us to keep alumni programs robust. All gifts to the fund are charitable. Think about April and how nice that deduction will look in green, not red.

Friday, HO³ You've got to move it, Santa.

GIVE and **BE** change.
