To help with any portion of these needs please contact Sharon Worrell, 405-744-5630 or sworrel@okstate.edu. Sending a check? Please make it payable to OSU Foundation and mail to 308 McElroy Hall, Stillwater, OK 74078 noted for the area of giving you are interested in supporting. Your gift will be recognized with our grateful thanks and a named plaque.

WILDLINGS

Pop Art - you love it, right? T's are available now for purchase! For a mere \$25 Quid you can sport this fab shirt and advance the goals of the Avian, Exotic & Zoo Medicine Club in the process. Shirts are available in V-neck and Crew styles made by American Apparel. Contact Brittany Propst at bpropst@okstatemail.okstate.edu to order. Don't delay, this opportunity won't be around forever. Checks are payable to AEZ Club.

The Avian, Exotic & Zoo Medicine Club also seeks auction items for Open House held on the veterinary campus April 11. Donations sold at the silent auction benefit the OSU Veterinary Medical Hospital AEZ Service for a large variety of exotic pets clinical care. The service has limited hospital funds for wildlife care and currently relies on the generosity of private donations to cover costs for primary health care. To partner with the AEZ Service, or to make a gift-in-kind contribution to the silent auction, contact Sharon Worrell, 308 McEL or talk to me at 405-744-5630. Charitable gifts are tax deductible.
