

## CENTER FOR VETERINARY HEALTH SCIENCES Friday Bit for Alumni and Friends

### "NO BRAG, JUST FACT" »

Walter Brennan said that, but oh baby, we have some bragging rights.

CVHS welcomes each of our new legacies (sons, daughters, nieces, nephews and grands) of veterinary alumni with a wee bit of orange. Don't forget to contact me when a happy event is on the horizon so pistols can fire because all of our babies grow up to be Cowboys. Check out our **Orange Sockie** family album [here](#) Look at all that white space, these Clementines need mates.

If your newest addition is not pictured at our album, please send a snapshot sporting the orange sockies to [sworrel@okstate.edu](mailto:sworrel@okstate.edu) Next, register your legacy and start receiving gifts from Pistol Pete [here](#)

### INDEPENDENCE »

Fact: we are an independent lot at CVHS on so many platforms. So, it's not a stretch that freedom does sing in our halls. Music has great healing properties, don't you agree? And since we're all about wellness at America's Healthiest Campus it goes without saying that CVHS is a leader in championing human and animal wellness at OSU Stillwater and beyond.

At your veterinary college we have many unexpected talents lurking among our faculty and alumni. There are musicians, artists, lawyers, MD's.... (those yard-long credentials following names), the list is endless. But did you know that our Veterinary Administrative Council's best kept secret is a rock band? Need proof? Register for Fall Conference coming October 13-14. **AC/VP** will entertain in **live concert at Corral Crawl** Thursday evening. Talk about killin' it. The concert is part of your ticket for the Crawl which includes a catered meal by the Rancher's Club, shopping at the SCAVMA silent auction and class reunion photos. A cash bar is available. ### AVMA ALUMNI RECEPTION ROADIES »
