ADMINISTRATORS - THIS BIT IS FOR YOU »

Let's take a look at some common struggles of serving as an administrator.... **from a canine perspective** ('cause we've had a week.)

Some tricks to appear well-trained.

- **When dealing with major problems....** Use your "inside" bark.
- **Keep it honest....** Guard against the "resting bitch" face.
- **Have deadline strategies....** Can that kibble possibly appear in my bowl by Monday?
- **Creativity....** You can dig it. Right.
- **Online posts....** Watch out for the raised leg. Propriety is firm turf.
- **Hijacked commands....** Sit. What I just said.
- **Dealing with incompetence.....** Clean up on isle three.

- **When disagreements arise....** Play dead.
- **Collaborating....** Be the lead-dog. Trust me.
