

## CENTER FOR VETERINARY HEALTH SCIENCES **Friday Bit for Alumni and Friends**

### **WELCOME CLASS OF 1960 »**

Several classmates of 1960 join us today on campus to celebrate their 56th reunion. The class is touring the large and small animal facilities and will enjoy lunch at McElroy Hall. Wave hello when you see them! Did you know that classmates of '60 sport three endowments with CVHS! Now that's cause for a happy dance. You dancin'?

### **FRIENDS FOR LIFE »**

The good women and men who serve as mothers and fathers come to mind of late. At CVHS, fortunately we have some great partnerships who take action to safeguard our young students and fur babies alike. I'd like to take a moment to showcase the men and women whose support helps keep the doors of the veterinary college open and performing with excellence. These sterling friends are alumni, referring veterinarians, grateful clients and industry partners. Many of our alumni wear all these hats. They are truly special. Take a stroll through our clinic. You'll notice names on plaques like Kirkpatrick Foundation, Catoosa Small Animal Hospital, Zoetis, Merial, Cupps, Palmer, Hill's and Purina. The list goes on. You'll find our alumni representing their brands as sponsors at CVHS events. The names of emeriti faculty are embedded in endowment titles, like Williams, King, Panciera, Johnson, and Krull to name a few. CVHS scholarships are named for alumni like Patterson, DuBois, Jones, Lorenz, Miller, Hammer, Abrams and more. These amazing friends recognize the value of the product CVHS supplies to the world. Simply put, we couldn't be more grateful for our hugely generous friends. They are worthy of our gratitude and appreciation every day. These people are our lifeline and we rely on them completely. Here, completely means 200%!

### **SUMMER LAUNCH »**
