

CENTER FOR VETERINARY HEALTH SCIENCES Friday Bit for Alumni and Friends

15 DAYS »

Zombie Mountaineer-Cowboy faceoff. Your best defense is [here](#)

Download the app (free) before you get into pumpkin slaying. Join the CVHS Cowboy community in the **Sea of Orange Homecoming Parade, "A Cowboy Dream" Saturday, October 29**. The veterinary center's **1953 Museum on Wheels** piloted by Bill Clay ('70) leads the **5th Annual Scottie Brigade** and **Pete's Pet Posse**. Faculty, students, staff and friends with animals or without are welcome to participate. All creatures are welcome on a leash or halter and must be current on vaccinations. Parade staging information is coming soon. Contact me at 405-612-5359.

WHAT'S YOUR SPIRIT ANIMAL? »

Considering a serial sharp-shooter? If evidence suggests you master challenges (and targets) like a Cowboy, why not look the part? **SCAVMA** hosts catalog sales of **CVHS branded items and apparel** electronically mailed quarterly. However, if you've ghosted us, you won't receive it. Keep your contact current [here](#) or [here](#)

BRAINS EXPOSED »

Celebrate neuroscience today at the Distinguished Alumni Luncheon. The behaviors of these alums support bizarre academic and research excellence. Truly undead stuff. It's not hard to spot the accomplishments of these specimens - the intellectual papers, the walk, the super-well-developed cerebellum and cerebral cortex....

To say their dominant brain-power makes us proud is an understatement. For **2016**, these awardees were selected through nominations from their peers for the distinction of CVHS Distinguished Alumni in the disciplines of academia, research and practitioner. We honor **Donald D. Holmes ('54)**, **Thomas G. Loafmann ('63)** and **Mark R. Duffy ('94)**. Ticketing for this event is closed but if you happen upon these alums speak your praise. **Class Representatives**, encourage your classmates to nominate an alumnus for the **2017** term [go](#)

SO, THIS IS TERRIFYING »

Alumni funds are bone dry. I'm talking spine-tingling truth. The **ONLY** way we can advance **alumni activities and events** is through your ongoing contributions. Help connect our most valuable resource, our people. Need to hear about how your funds are used? Ring me at 405-744-5630. Be a ghost buster, your tax return, well, might return.

All wandering spirits ♥ **Fridays**. Although, dwindling anything (like daylight) sucks. Because our budget vacancy light is blinking, there's this button -- Go. Right. Now. **"Only you can control your future."** -- Dr. Seuss

GIVE and **BE** change.

Fancy a chat? sworrel@okstate.edu #scot1
