## Staubus Helping Louisiana's Animals

**(Stillwater, Okla., August 29, 2016)** – Dr. Lesa Staubus is a veterinarian with the American Humane Society's emergency animal rescue program. She is leading the relief effort to help animals in Louisiana affected by the 2016 summer floods. Staubus earned her DVM degree from Oklahoma State University in 1990. ([full story](#))

*OSU's [Center for Veterinary Health Sciences](#) is the only veterinary college in Oklahoma. One of 30 veterinary colleges in the United States, it is fully accredited by the Council on Education of the American Veterinary Medical Association. The center's [Boren Veterinary Medical Hospital](#) is open to the public and provides routine and specialized care for small and large animals. It also offers 24-hour emergency care and is certified by the American Animal Hospital Association. For more information, visit [www.cvhs.okstate.edu](http://www.cvhs.okstate.edu) or call (405) 744-7000.*

*Oklahoma State University is a modern land-grant university that prepares students for success. OSU has more than 36,000 students across its five-campus system and more than 25,000 on its combined Stillwater and Tulsa campuses, with students from all 50 states and around 120 nations. Established in 1890, Oklahoma State has graduated more than 260,000 students who have been serving Oklahoma and the world for 125 years.*
